

Task	EPROJ (v211110)
Duration (s)	617 (plus 10s of reference scans for multi echo, as ‘Stay very still’ screen shown)
Volume #	617 (12 T1 stabilization, 605 usable, all 617 images saved)
TR (s)	1.00
Stimuli	Questions targeting 6 categories of interest: (1) PRESENT SELF (2) FUTURE SELF (3) PAST SELF (4) PRESENT NONSELF (5) FUTURE NONSELF (6) PAST NONSELF
Stimuli manipulations	Text is left justified and each potential response is listed next to a number that corresponds to a finger press with one of three fingers on left hand.
Task requirements	Participants are instructed to read a 3-4 line question and 3 potential responses and choose the best response (by pressing a button), taking care to consider each option.
# of runs	10, each featuring 30 questions
Stimuli Creation	Questions for all categories in “Stimuli” above were adapted from those provided by J. Andrews-Hanna (esp. 2,3,5,6) or brainstormed by Buckner Lab members.
Possibility of more runs?	Yes, by generating more stimuli.
Design	Each question was presented for 10s, followed by a 10s ISI. Each run included 30 Q+R (question and response), with the exact trial ordering shown below (see “Order” below for full breakdown).
Example Timing: EPROJ1	
[12s (+)] : 5s (+) [10s (Q1+R), 10s(+)], [10s (Q2+R), 10s(+)], [10s (Q3+R), 10s(+)], [10s (Q4+R), 10s(+)], [10s (Q5+R), 10s(+)], [10s (Q6+R), 10s(+)], [10s (Q7+R), 10s(+)], [10s (Q8+R), 10s(+)], [10s (Q9+R), 10s(+)], [10s (Q10+R), 10s(+)], [10s (Q11+R), 10s(+)], [10s (Q12+R), 10s(+)], [10s (Q13+R), 10s(+)], [10s (Q14+R), 10s(+)], [10s (Q15+R), 10s(+)], [10s (Q16+R), 10s(+)], [10s (Q17+R), 10s(+)], [10s (Q18+R), 10s(+)], [10s (Q19+R), 10s(+)], [10s (Q20+R), 10s(+)], [10s (Q21+R), 10s(+)], [10s (Q22+R), 10s(+)], [10s (Q23+R), 10s(+)], [10s (Q24+R), 10s(+)], [10s (Q25+R), 10s(+)], [10s (Q26+R), 10s(+)], [10s (Q27+R), 10s(+)], [10s (Q28+R), 10s(+)], [10s (Q29+R), 10s(+)], [10s (Q30+R), 10s(+)]	
Trials/Block/Run	30 questions per run (5 per condition) x 6 runs = 180 questions, 30 per condition
Trial timing	10s Q+R, followed by 10s fixation crosshair ISI = 20s ITI
Counterbalancing	5 questions from each category were shown per day, in a randomized order that remained consistent across participants. Questions from a single category could not appear more than twice in a row. Numbers 1-6 correspond to the category numbers in “Stimuli” above. See more details in “Detailed Orders” below. EPROJ1: set_design = [4 1 2 1 4 4 5 3 1 6 5 1 2 5 6 6 3 5 4 6 2 6 2 5 1 3 3 2 3 4]; EPROJ2: set_design = [5 2 1 5 3 1 4 6 1 5 3 2 2 1 6 6 5 4 1 2 3 6 3 5 3 4 2 6 4 4] EPROJ3: set_design = [2 2 4 1 4 4 6 6 4 1 1 3 1 5 5 6 2 6 5 2 3 2 3 5 4 3 3 5 1 6] EPROJ4: set_design = [1 4 1 3 2 6 2 5 3 5 3 1 1 5 3 4 2 1 2 5 4 3 6 4 6 5 2 6 4 6] EPROJ5: set_design = [3 5 2 4 1 2 3 2 6 1 5 6 3 3 4 3 5 1 6 4 5 1 6 4 4 6 2 5 1 2] EPROJ6: set_design = [1 2 2 1 6 1 2 3 6 4 3 3 2 6 3 5 4 2 4 4 5 6 3 5 1 5 1 6 5 4]

Goal	Differentiate activity within DN-A vs. DN-B. Explore component processes associated with tasks across conditions that require varying strategies. (Strategy usage collected separately from online participants.)
Other Notes	EPROJ was adapted from a task used by Andrews-Hanna et al. (2010). These data also serve as a prospective replication of iSelect data, so the randomized order was unchanged from the iSelect project.

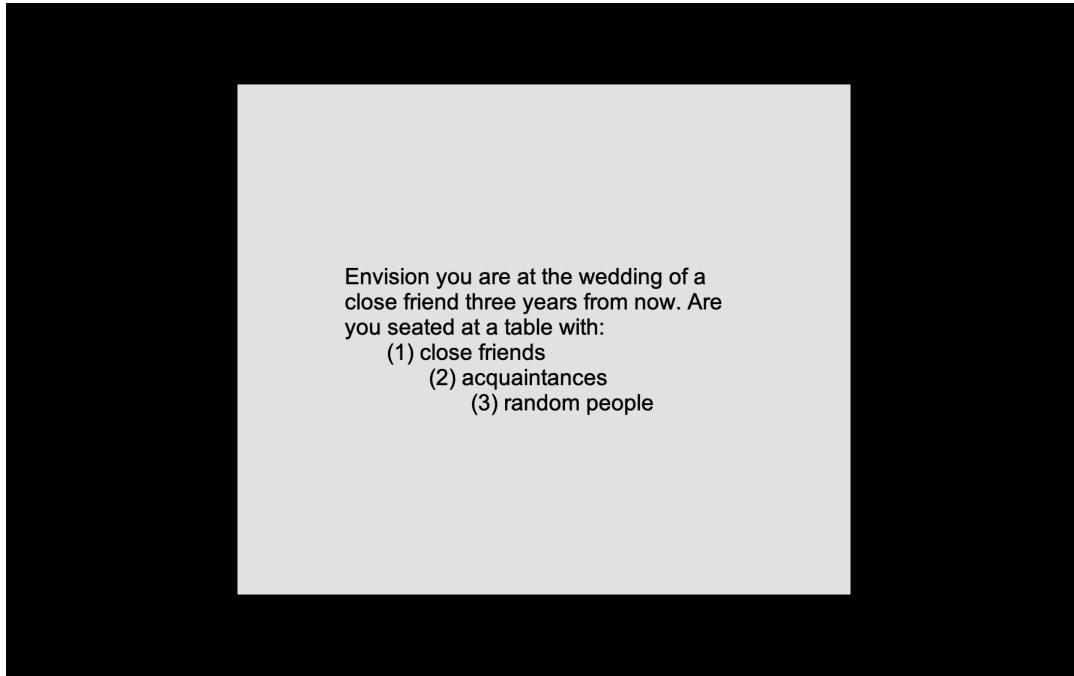

Stay Very Still Screen:

Instruction Screen:

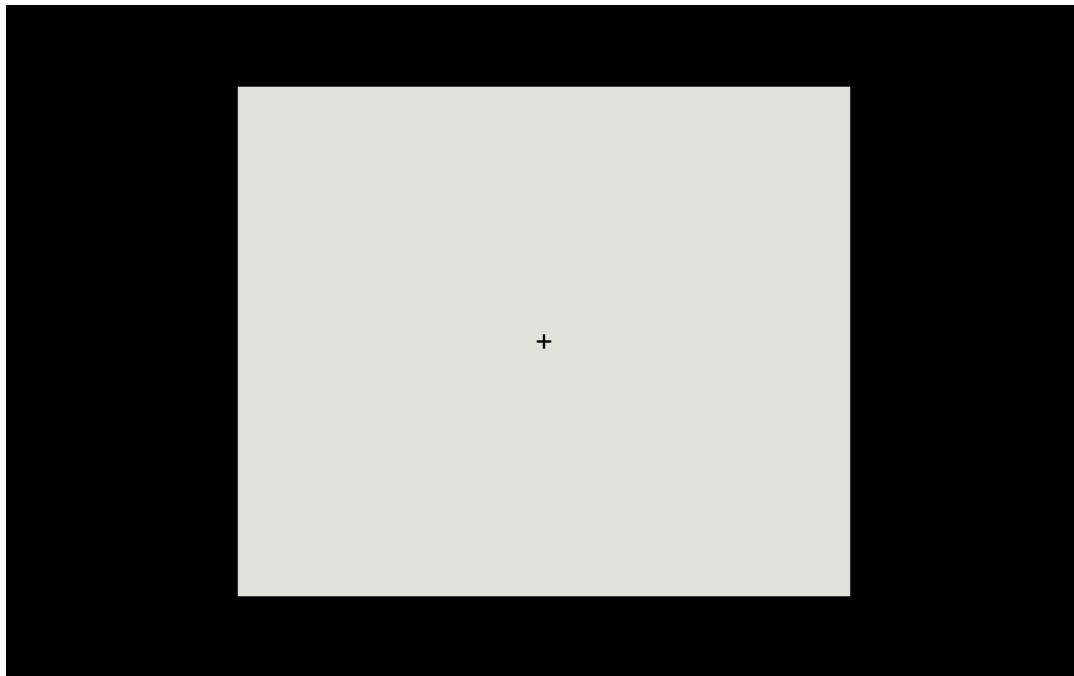

Example Question Screen:

Envision you are at the wedding of a close friend three years from now. Are you seated at a table with:

- (1) close friends
- (2) acquaintances
- (3) random people

Fixation Screen:

Detailed Orders Below:

Time_Start(s) indicates the start of a question after removal of the 12s for T1 stabilization, starting at 0.

Condition Key:

RS	PRESENT SELF
FS	FUTURE SELF
PS	PAST SELF
RN	PRESENT NONSELF
FN	FUTURE NONSELF
PN	PAST NONSELF

EPROJ1

Time_Start(s)	Condition	Question
5	present_nonself	Q Think about traditions associated with Scotland at this time. Which animal is the national animal of Scotland: (1) a bear (2) a unicorn (3) a horse
25	present_self	1 Reflect upon your physical health at the present moment. Compared to the average person, do you believe that you are: (1) more fit (2) about as fit (3) less fit
45	future_self	2 Speculate about opening an Internet browser later this evening after you return home. Will you first: (1) check your email (2) go to a social media site (3) something else
65	present_self	3 Think about the pride you have for your home country right now. How would you describe these feelings: (1) low levels of pride (2) indifferent feelings (3) high levels of pride
85	present_nonself	4 Assess current fruit consumption in the United States. Which fruit pair is most expensive (when priced by weight): (1) blackberries and apples (2) mango and watermelon (3) nectarines and peaches
105	present_nonself	5 Assess our current knowledge of the modern human skeleton. Which body parts have the highest combined number of bones: (1) hands and feet (2) heads and spines (3) arms and legs
125	future_nonself	6 Envision that a farmer's market will sell out of two products tomorrow afternoon. Which items will sell out: (1) apples and flowers (2) tomatoes and corn (3) peaches and kale
145	past_self	7 Reflect upon the last time that you purposefully looked at news-related materials and noticed a specific headline. Were you looking: (1) online (2) in print (3) somewhere else
165	present_self	8 Assess your current capacity to be aware of your physical and social environment. Do you find yourself: (1) attentive to details (2) somewhat attentive (3) not very attentive
185	past_nonself	9 Speculate about which phone company sold the most smartphones in 2016. Which company most likely outsold the other two: (1) Samsung (2) Apple (3) Nokia
205	future_nonself	10 Imagine that, ten years from now, Apple releases an updated version of a product. Will it likely be: (1) a new phone (2) a new laptop (3) something else
225	present_self	11 Envision how adventurous your life is at the present moment. How satisfied are you with your current level of adventure: (1) satisfied (2) neutral (3) unsatisfied
245	future_self	12 Ponder over becoming very hungry while out with friends next week. Which action will you take: (1) make food (2) buy food (3) wait to eat
265	future_nonself	13 Envision that stock prices rise three years from now. Which companies will likely have the most drastic rises: (1) Google and Facebook (2) Amazon and Google (3) Alibaba and Amazon
285	past_nonself	14 Consider the leadership in France a decade ago. Who was France's president then: (1) Francois Hollande (2) Jacques Chirac (3) Nicolas Sarkozy
305	past_nonself	15 Ponder over the establishment of the United States as a nation in the 1700s. In what city was the Declaration of Independence signed: (1) Boston, MA (2) Philadelphia, PA (3) Richmond, VA
325	past_self	16 Envision the last time that you checked a weather report. How did you access the weather information: (1) on a phone (2) on a computer (3) another way
345	future_nonself	17 Envision that a famous musician releases a new album next week. The musician is most likely: (1) a hip hop artist (2) a country artist (3) an alternative artist
365	present_nonself	18 Ponder over the current size and geography of the world's oceans. Which ocean is the deepest: (1) the Atlantic Ocean (2) the Pacific Ocean (3) the Indian Ocean
385	past_nonself	19 Reflect upon J.K. Rowling's attempts to get "Harry Potter" published in the 1990s. How many times was it rejected: (1) zero to five times (2) six to ten times (3) more than ten times
405	future_self	20 Ponder over where you will be tomorrow during lunch. Who will be eating lunch with you: (1) no one (2) a significant other (3) someone else
425	past_nonself	21 Recall popular TV shows ten years ago. The most popular new series at that time was: (1) Game of Thrones (2) Homeland (3) Black Mirror
445	future_self	22 Consider that you are cleaning your kitchen after you arrive home later today. What do you envision yourself cleaning first: (1) the floor (2) the counter (3) something else
465	future_nonself	23 Contemplate the user base of social media platforms in five years. Which platform will likely have lost the most users: (1) Facebook (2) Instagram (3) TikTok
485	present_self	24 Speculate about your current ability to complete tasks by yourself. Do you feel as though you can: (1) complete any task (2) complete some tasks (3) complete most tasks
505	past_self	25 Consider the events associated with the last time you went to downtown Boston. Were you downtown for: (1) a social activity (2) something work-related (3) something else
525	past_self	26 Recall a specific time from your childhood when you felt like you were in trouble. Had you: (1) disobeyed a parent (2) broken a school rule (3) done something else
545	future_self	27 Think about the next time you will see a family member. Where does this encounter take place: (1) in a home (2) in public (3) other
565	past_self	28 Consider the most recent time that you watched a movie all the way through. Were you watching: (1) at home (2) at a movie theater (3) somewhere else
585	present_nonself	29 Consider current populations within the states of India. Which of the following states is most populous: (1) West Bengal (2) Tamil Nadu (3) Uttar Pradesh

EPROJ2

Time_Start(s)	Condition	Question
5	future_nonsel	Q Envision the Academy Awards ceremony five years from now. Which movie is most likely to win "Best Picture": (1) a comedy (2) a drama (3) a documentary
25	future_self	31 Envision that you arrive home today and find that your door is locked and you have no key. Do you: (1) call a locksmith (2) use a spare key (3) find another solution
45	present_self	32 Think about the major issues you are facing in your life at this moment. Which of these issues concerns you most: (1) health (2) education (3) finance
65	future_nonsel	33 Speculate about the winter solstice that will occur next December. About how many hours of daylight will Massachusetts have on this day: (1) five to six hours (2) seven to eight hours (3) nine to ten hours
85	past_self	34 Consider the last time you interacted with your closest friend. During the interaction, did you communicate: (1) via text message (2) over the phone (3) in another way
105	present_self	35 Assess the status of your mood and how positive you feel at the present time. Are you in: (1) a very happy mood (2) a somewhat happy mood (3) an unhappy mood
125	present_nonsel	36 Assess the auto companies that currently manufacture trucks. Which of these brands has the best-selling truck in the United States: (1) RAM (2) Chevy (3) Ford
145	past_nonsel	37 Consider popular music in America during the 1980s. Which artist had the highest selling album in that decade: (1) Michael Jackson (2) Pink Floyd (3) Bon Jovi
165	present_self	38 Reflect upon your level of tolerance for risky choices or behaviors at the present time. Do you think that you are: (1) quite prone to risk (2) somewhat risk-prone (3) not prone to risk
185	future_nonsel	39 The weather in London, England will be reported next week. Is the weather likely to be: (1) sunny (2) cloudy (3) rainy
205	past_self	40 Assess the activity you chose the last time you purposefully exercised. Would you characterize the activity as: (1) high intensity (2) moderate intensity (3) low intensity
225	future_self	41 Imagine that you are at a restaurant one month from now and decide to order dessert. Will you order: (1) cake (2) ice cream (3) something else
245	future_self	42 Speculate about the next time you go to a beach with a specific friend. On the beach, will you primarily: (1) sit in a chair (2) go in the water (3) do something else
265	present_self	43 Assess your feelings toward your current wardrobe in comparison to that of your close friends. Do you consider yourself: (1) more fashionable (2) equally fashionable (3) less fashionable
285	past_nonsel	44 Envision the ancient Olympic games staged in Greece in 776BC. Which events were featured at the first Olympics: (1) marathon and throwing (2) swimming and rowing (3) jousting and wrestling
305	past_nonsel	45 Contemplate fast food sales across the world last week. Which of these chains likely sold the most hamburgers: (1) Burger King (2) McDonalds (3) Five Guys
325	future_nonsel	46 Contemplate the varieties of children's toys to be sold in the upcoming year. The most popular will likely be: (1) video games (2) board games (3) something else
345	present_nonsel	47 Speculate about happiness around the world at this moment. The countries with the highest Happiness Index Scores are: (1) Finland, Denmark, Switzerland (2) Canada, France, Finland (3) USA, Norway, China
365	present_self	48 Consider your current capacity to think of new ideas that you hope to act upon. Do you feel: (1) very inspired (2) a little inspired (3) not at all inspired
385	future_self	49 Speculate about doing an outside activity tomorrow with a specific friend. Are you more likely to: (1) exercise (2) have a picnic (3) do something else
405	past_self	50 Reflect upon your experience trying to fall asleep last night. Were you able to fall asleep: (1) easily without effort (2) with some effort (3) with a lot of effort
425	past_nonsel	51 Reflect upon the most famous works by Shakespeare in the 16th century. Which of these plays was most famous at that time: (1) Romeo and Juliet (2) Macbeth (3) Hamlet
445	past_self	52 Think about the last time that you stayed home sick. What activity did you do to pass your time: (1) sleep (2) watch TV (3) something else
465	future_nonsel	53 Think about the next time the winter Olympics are scheduled to take place. Which country will host: (1) China (2) South Korea (3) Canada
485	past_self	54 Recall specific details associated with the last time you went out to dinner. Did you go out to: (1) celebrate an event (2) gather with friends (3) for another reason
505	present_nonsel	55 Think about the households in the United States that currently have pets. Which duo features the most popular pets: (1) snakes and lizards (2) fish and snails (3) dogs and cats
525	future_self	56 Speculate about the next time you go for a walk. Are you likely to find yourself walking: (1) near your home (2) near shopping stores (3) at some other location
545	past_nonsel	57 Consider the colleges founded in the United States over three hundred years ago. Which was founded first: (1) University of Notre Dame (2) Harvard University (3) Yale University
565	present_nonsel	58 Think about the fastest-growing industries at the current moment. The field featuring the highest growth in occupation is: (1) technology and innovation (2) research and development (3) business and finance
585	present_nonsel	59 Envision the planets currently considered part of our solar system. The planets closest to the sun are: (1) Earth and Venus (2) Saturn and Jupiter (3) Mercury and Venus

EPROJ3

Time Start(s)	Condition	Question
5	future_self	Q Contemplate that you are taking a specific class five years from now. What do you envision yourself studying: (1) programming (2) language (3) something else
25	future_self	61 Consider the next trip you will take outside of your state. Do you suppose that you will go somewhere in: (1) the same region (2) the rest of the country (3) somewhere else
45	present_nonself	62 Think about all of the colors on the common color wheel. Which colors are complementary: (1) red and yellow (2) green and purple (3) red and green
65	present_self	63 Reflect upon your current propensity to try new things without prior planning. Would you say that you are: (1) very spontaneous (2) somewhat spontaneous (3) not at all spontaneous
85	present_nonself	64 Think about current differences in biodiversity across the world's countries. Which of these countries are most biodiverse: (1) United States (2) Australia (3) Colombia
105	present_nonself	65 Envision the highest elevation in Long Island, New York at the present time. The highest elevation above sea level is closest to: (1) one hundred feet (2) five hundred feet (3) one thousand feet
125	past_nonself	66 Reflect upon the planets of our solar system over the past decade. Which was switched to "dwarf planet" in 2006: (1) Uranus (2) Mercury (3) Pluto
145	past_nonself	67 Ponder over Starbucks' locations and the origins of this coffee chain. When the first store opened, it was located in: (1) Seattle, WA (2) Portland, OR (3) Portland, ME
165	present_nonself	68 Contemplate the diversity of religions in China at the present time. A widely supported religion is: (1) Christianity (2) Buddhism (3) Hinduism
185	present_self	69 Think about how focused you are on the task at the present moment. Would you describe yourself as: (1) fully focused (2) somewhat focused (3) not focused at all
205	present_self	70 Think about how creative you feel at the present moment. Would you say you are currently: (1) highly creative (2) moderately creative (3) not at all creative
225	past_self	71 Recall a specific class that you took in high school that you considered difficult at the time. Was the class: (1) a science class (2) a language class (3) something else
245	present_self	72 Think about how emotional you currently feel. How would you characterize your overall emotionality: (1) negative (2) neutral (3) positive
265	future_nonself	73 Speculate about rentable modes of transport one year from now. Which will have the most units: (1) rentable bikes (2) rentable scooters (3) something else
285	future_nonself	74 Consider attitudes toward self-driving cars ten years from now. Which country will have the most self-driving cars: (1) USA (2) Japan (3) Germany
305	past_nonself	75 Consider the Beatles' success in America in the 1960s. How many members were in the Beatles from 1962-1970: (1) three members (2) four members (3) five members
325	future_self	76 Envision that you are participating in a specific exercise class next week. Is the class most likely: (1) an aerobics class (2) a yoga class (3) another class
345	past_nonself	77 Contemplate the most popular styles of music twenty years ago. Which type of music had the highest sales: (1) Rock 'n' Roll (2) Hip Hop (3) something else
365	future_nonself	78 Ponder over what the weather will be exactly two months from now. Which temperature is most likely: (1) 30 degrees F (2) 50 degrees F (3) 70 degrees F
385	future_self	79 Envision that you are cold next January as you leave your home. When you notice that you are cold, will you: (1) add layers (2) move around (3) do something else
405	past_self	80 Reflect upon your environmental surroundings the last time that you read a book. Were you reading: (1) at home (2) outdoors (3) another place
425	future_self	81 Imagine that tomorrow you must complete a task that makes you nervous. Will you complete the task: (1) at work (2) at school (3) elsewhere
445	past_self	82 Consider the last time you were in an elevator. About how many people were in the elevator with you: (1) no others (2) one other (3) two or more others
465	future_nonself	83 Speculate about consumer spending in the next calendar year. The greatest spending will occur for: (1) Halloween (2) Easter (3) Valentine's Day
485	present_nonself	84 Consider major cities in the world at the present moment. The city with the largest population is: (1) Shanghai (2) London (3) Tokyo
505	past_self	85 Think about the most recent holiday that you celebrated with friends or family. Was this celebration planned by: (1) you (2) a family member (3) someone else
525	past_self	86 Think about what you were doing during your trip to the lab earlier today. Were you traveling by: (1) car (2) public transportation (3) something else
545	future_nonself	87 Consider the weather forecast across the country next February. Which states will likely receive the most snow: (1) Maine and Vermont (2) Ohio and Michigan (3) Utah and Colorado
565	present_self	88 Reflect upon your relationships with your family members at the present time. Would you describe yourself as: (1) very close to family (2) somewhat close (3) not close at all
585	past_nonself	89 Consider how the world's tallest building changed in the mid-twentieth century. The world's tallest building in 1960 was: (1) the Eiffel Tower (2) the Empire State Building (3) the Chrysler Building

EPROJ4

Time	Start(s)	Condition	Question
5		present_self	Q Consider your fields of engagement at the present moment. Do you believe that you are primarily: (1) scientifically talented (2) artistically talented (3) talented in another area
25		present_nonsense	91 Consider variations in Earth's geography and climate at the present time. Which continent currently has the most deserts: (1) Africa (2) Australia (3) South America
45		present_self	92 Think about a specific source of stress in your life at the present moment. Would you describe this stressor as most relevant to you: (1) occupation (2) health (3) something else
65		past_self	93 Ponder over the last time you ate a favorite food that involves a longer recipe. Was the food made by: (1) a friend (2) a family member (3) someone else
85		future_self	94 Consider the events associated with the next time you eat out at a restaurant. Will you be eating: (1) by yourself (2) with a friend (3) with a group
105		past_nonsense	95 Consider the iconic American snacks over the past decade. Which snack went off the market due to Hostess' bankruptcy in 2012: (1) Oreos (2) Twinkies (3) Zebra cakes
125		future_self	96 Consider that you are at home this weekend and have free time to fill. Do you envision yourself: (1) calling friends (2) reading a book (3) doing something else
145		future_nonsense	97 Think about a type of exercise that will be trendy two years from now. This exercise will likely include: (1) running and biking (2) yoga and Pilates (3) dancing and weights
165		past_self	98 Ponder over the last time you went on a trip outside of your local area. Did you go away for: (1) one day (2) a few days (3) longer
185		future_nonsense	99 Imagine that a new national park opens in the United States next year. How many visitors will the park receive in year one: (1) one to five million (2) six to ten million (3) eleven million or more
205		past_self	100 Recall the last time you looked up directions before traveling to a specific destination. Did you search using: (1) a phone (2) a computer (3) something else
225		present_self	101 Consider your feelings about the task that you are currently completing. Would you rather be doing something: (1) more exciting (2) less exciting (3) neither
245		present_self	102 Reflect upon how sad you feel at the present time. Do you believe that you should feel: (1) more sad than you are (2) as sad as you are (3) less sad than you are
265		future_nonsense	103 Assess the number of flights arriving at Boston Logan Airport tomorrow. Most of these flights will likely come from: (1) the US (2) Europe (3) another place
285		past_self	104 Think about where you were and what you ate during your most recent meal. Were you eating: (1) at home (2) at a restaurant (3) somewhere else
305		present_nonsense	105 Speculate about the current estimate of the total number of cells in the human body. The estimate is closest to: (1) one million (2) one billion (3) one trillion
325		future_self	106 Imagine that, tomorrow evening, you eat your dinner at the usual time. Are you more likely to eat at: (1) your home (2) a restaurant (3) somewhere else
345		present_self	107 Think about how tired you feel at the present moment. Would you describe yourself as: (1) extremely tired (2) somewhat tired (3) not at all tired
365		future_self	108 Imagine that you have decided to take a day trip next weekend by yourself. Do you envision yourself traveling to: (1) a city (2) a small town (3) somewhere else
385		future_nonsense	109 Think about the next flavor of potato chip that will become most popular in the US. Will the flavor likely appeal to: (1) sweet tastes (2) savory tastes (3) all tastes
405		present_nonsense	110 Consider the prevalence of smoking in the United States at this moment. Which states have the highest combined percentage of smokers: (1) Ohio and Kentucky (2) West Virginia and Kentucky (3) Ohio and Iowa
425		past_self	111 Ponder over your experience getting ready this morning before you left home. Did your morning routine take: (1) longer than usual (2) the usual amount of time (3) less time than usual
445		past_nonsense	112 Consider the number of active Facebook users at the end of 2016. Was the number of users closest to: (1) one million (2) one billion (3) one trillion
465		present_nonsense	113 Consider the current structure of the American government. The US House of Representatives includes how many people: (1) one hundred twenty-six (2) four hundred thirty-five (3) six hundred twenty-two
485		past_nonsense	114 Consider the geography of the US in the mid-twentieth century. Which state was not added until 1959: (1) Alaska (2) Hawaii (3) New Mexico
505		future_nonsense	115 Envision the many cups of tea that will be consumed in the UK tomorrow. Consumed cups of tea will likely near: (1) one million cups (2) fifty million cups (3) sixty million cups
525		future_self	116 Consider the next time you will draft and send an email. To whom will the email be sent: (1) a family member (2) a coworker (3) someone else
545		past_nonsense	117 Consider the American economy during the Great Depression. Which goods cost the most at that time: (1) butter and meat (2) coffee and bread (3) cheese and rice
565		present_nonsense	118 Contemplate the pop music at the top of the charts at the present time. Which of these musicians is leading the other two: (1) Dua Lipa (2) Ed Sheeran (3) The Weeknd
585		past_nonsense	119 Think back to when American women were granted the right to vote. The constitutional amendment for this right was: (1) the sixteenth amendment (2) the fourteenth (3) the nineteenth
